

STUDY QUESTIONS ASSIGNMENT

For each module there is a list of study questions that is linked from the Independent Study Period Assignments web page under the heading Additional Assignments During the Independent Study Period.

For each module, answer ONE question of your choosing after you finish the reading assignments for that module. The answers should be a short paragraph at the most. You will submit a print copy your answers on the first day of class.

Please prepare only one document for this assignment. Reference the module and the question, then provide your answer. Make sure your name is on the first page.
